

A large grid of 20 rows and 100 columns of small, repeating, stylized symbols resembling a dense, textured pattern. The symbols are small, black, and appear to be a combination of dots and short horizontal lines, creating a dense, textured effect. The grid is organized into 20 horizontal rows, each containing 100 of these symbols. The symbols are arranged in a way that they look like a continuous, repeating pattern across the entire grid.
