

A dense, repeating pattern of small, stylized, slanted characters or symbols, resembling a textured surface or a highly detailed, abstract graphic. The pattern consists of many rows of identical or near-identical units, each unit appearing to be a small, slanted character or symbol. The overall effect is a highly textured, almost woven appearance, with the slant of the characters creating a sense of depth and movement. The pattern is uniform across the entire image, with no discernible breaks or variations in the sequence of characters.
