

A large grid of 20 rows and 100 columns of small, slanted, black-and-white patterns, resembling a barcode or a stylized text representation. Each cell in the grid contains a small, slanted, black-and-white pattern that looks like a stylized letter or a barcode segment. The patterns are arranged in a regular grid, with each row containing 100 patterns and each column containing 20 patterns. The patterns are slanted to the right, giving the grid a sense of motion or a dynamic feel. The overall effect is a dense, textured field of these small, repeating elements.
