

A dense grid of 20 rows and 100 columns of small, slanted, black-and-white line segments, resembling a barcode or a stylized text pattern. Each segment is a short, slightly curved line, and they are arranged in a regular, repeating pattern across the entire image. The segments are oriented diagonally, sloping upwards from left to right. The background is white, and the segments are black, creating a high-contrast, textured appearance. The overall effect is that of a highly detailed, abstract pattern that could be interpreted as a form of digital art or a data visualization.
