

A large grid of 20 rows and 100 columns of small, slanted, black-and-white line segments, resembling a barcode or a stylized text pattern. Each segment is a short, slightly curved line, and the entire grid is composed of these segments arranged in a regular, repeating pattern. The segments are oriented diagonally, sloping upwards from left to right. The background is white, and the segments are black, creating a high-contrast, textured appearance. The grid is uniform in size and spacing, with no visible text or other markings.
